	Auditor's Observations in Audit Report for the Financial year 2024-25 as updated as on 31st December 2025:-
4	<p>a) The company had recorded the cost of the investment of Rs. 53.80 Lac at the cost of Acquisition value of the equity shares issued and had not determined the fair value as required by Ind AS. The shares were not made available for physical verification. Hence, we are unable to comment upon the physical existence and express an opinion on the value of investment recorded.</p> <p>b) The Capital work in Progress of Rs. 2.49 Crore has been stalled. The physical conditions of these assets under construction require technical evaluation to determine impairments or write offs, if any. However in view of the management the suspension is temporary in nature and assets under construction are not obsolete, and the company will be able to resume construction activities in near future and accordingly no provision is required.</p>
5	<p>Our explanation to Auditor's Observation:-</p> <p>a. The company has misplaced/lost the share certificates of the investments made by it in unquoted equity shares of other companies during the shifting of its records. Hence the company is unable to locate its investments made in the unquoted equity shares as the same are not physically held by the company at present. Despite sending multiple requests to the companies in which it has made investments for issue of duplicate share certificates, the same have not yet been entertained and till date the company has not received any reply from these companies. In addition to this, the company is working towards determining the fair market value of its investments to ensure the compliance with IND AS in true letter and spirits.</p> <p>b. The company allocated funds for building an additional factory block & for Godown to expand its operations, but due to technical and other reasons, construction had to be temporarily suspended. Management believes the suspension is temporary, and the under-construction assets are not obsolete. The company anticipates resuming construction activities soon and does not foresee the need for any provisions. Additionally, the company is receiving advances back from some vendors due to non-execution of deals.</p>
6	The Company has not paid the Annual Listing Fees (ALF) of the Bombay Stock Exchange Limited (BSE) since the financial year 2021-22. Consequently, BSE has initiated action against the Company and suspended trading of its scrip on the Exchange's trading platform. However, BSE has permitted trading in the Company's shares on a Trade-for-Trade basis, limited to the first trading day of every week, until the outstanding Annual Listing Fees are fully paid to the Exchange. The management of the company is making necessary efforts to arrange the required funds for the purpose of making the outstanding payments of BSE.
7	The aforesaid unaudited financial results for the quarter & nine months ended 31st December, 2025 will be available on the website of the company i.e., www.mpspharmaa.com
8	Previous year/period figures have been regrouped/arranged, wherever necessary to make them comparable with the current period figure.
